Values

Collaboration

We invest in meaningful relationships that leverage our respective talents and strengthen the Warhawk family, and we champion the endeavors of our faculty, staff, students, and alumni.

Diversity and opportunity

We believe in the dignity of all individuals and we cultivate an accessible, inclusive, and equitable culture where everyone can pursue their passions and reach their potential in an intellectually stimulating and respectful environment.

Integrity

We embrace principles of honesty, fairness, and ethical standards to foster an environment of mutual trust.

Learning and academic excellence

We engage all members of the campus community in learning, research, scholarship, and creative endeavors through powerful academic and co-curricular experiences in an environment that values academic freedom.

Service and social responsibility

We bring the knowledge and resources of the university into the communities we serve to solve problems, improve the quality of life, and create a more sustainable society.

Shared governance

We make decisions based on strategy, evidence, and transparent, collegial dialogue and we hold one another accountable.

Mission

The University of Wisconsin-Whitewater is a preeminent academic institution driven by the pursuit of knowledge, powered by a spirit of innovation, and focused on transforming lives. As part of the University of Wisconsin System, UW-Whitewater embraces the Wisconsin Idea and is an economic and cultural driver of our region. We are nationally and internationally recognized for the accomplishments of our students, faculty, staff, and alumni. Grounded in a rigorous core curriculum, students receive a well-rounded education and every academic program prepares students to be creative, innovative and adaptable in dynamic and diverse work and life environments.

We are an inclusive educational community with a deep commitment to access that inspires us to serve students from diverse backgrounds, experiences, identities, and abilities. We have a longstanding special mission to serve students with disabilities. By supporting all students, we champion education, opportunity and prosperity for all. As engaged global citizens, members of our community make positive contributions to the State of Wisconsin, to our nation, and to the world.

Our academic programs serve undergraduate and graduate students, including online learners, and span the disciplines, from the theoretical to the applied, and encompass study in the arts, business, education, humanities, natural sciences, social sciences, technology, and professional and interdisciplinary programs. High-quality programs are offered at the associate, bachelor, master, and doctoral levels. These programs prepare students to become lifelong learners who lead successful lives and enjoy productive career.

High Impact Practices (HIPs)

	Freshman		Senior	
	2020	2023	2020	2023
Participated in at least one HIP experience	38%	51%	18%	19%
Participated in two or more HIP experiences	34%	15%	76%	75%

NSSE HIPs - FRESHMAN PARTICIPATION

NSSE HIPs - SENIOR PARTICIPATION

Note: The National Survey of Student Engagement (NSSE), conducted by the Center for Postsecondary Research at Indiana University, is administered every three years at UW four-year institutions. Rates of participation in HIP experiences indicate the percentage of students responding "done or in progress" to the items listed on this page. The percentage of students participating in service-learning is calculated on a different scale than other HIPs, indicating that at least "some" courses included a community-based project. Survey data is self-reported by students.

UNDERGRADUATE CLASS SECTIONS BY CLASS SIZE, 5-YEAR TREND

Note: Report includes in-person, hybrid, and remote courses, but excludes individual instruction courses with an enrollment of only 1 student (such as research, music instruction, one-to-one independent study, internship credit, etc). Data reflects Fall semester classes only.

STUDENT-TO-FACULTY RATIO

Note: The student-to-faculty ratio at UW-Whitewater is calculated using a formula provided by the Common Data Set (CDS) Initiative. This formula is favored because it takes into account both full-time and part-time student counts, both full-time and part-time faculty and instructional academic staff (IAS) counts, and the percentage of faculty and IAS who have predominately instructional responsibilities. U.S. News and World Report also requires colleges to use the CDS formula when submitting student-to-faculty ratios for its college rankings issue. The formula is as follows:

$$\text{Student-to-Faculty Ratio} = \frac{[\text{FT Students} + (\text{PT Students}/3)]}{[\text{FT Faculty and IAS} + (\text{PT Faculty and IAS}/3)]}$$

Values are shown in reverse order on the line graph since a lower ratio indicates a smaller number of students per each faculty member, indicating smaller class sizes and more individualized attention.
