# APPOINTMENTS FEATURE

## Frequently Asked Questions

### **Why can't I see my advisor (or other connection on campus)?**

Some individuals may not have appointments available in Navigate during the times when you are free. You will not typically be able to schedule appointments during your class times. If you do not see the individual you are looking to meet, it's best to reach out to them directly via email or talk to them after class.

Many staff members from the following areas have appointments available in Navigate: Advising, Career Services, Financial Literacy, TRIO and Support Programs, Library Research Help, Student Activities & Involvement, Success Coaching, Tutoring, and University Housing. This list is always growing as we bring more campus resources into Navigate.

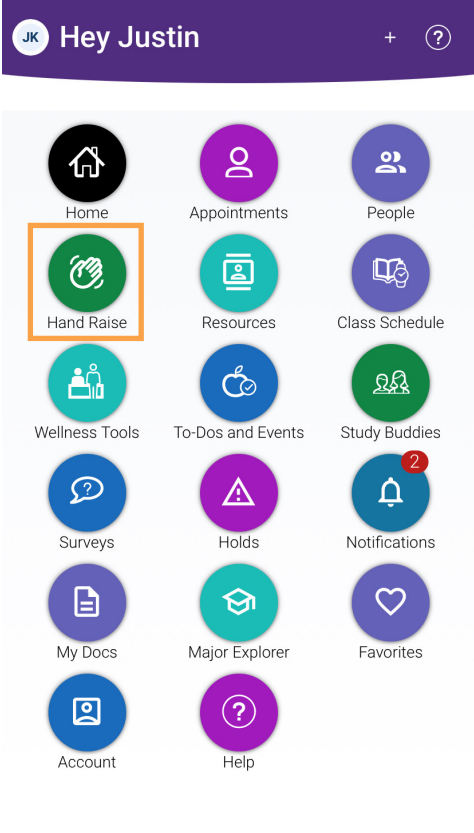

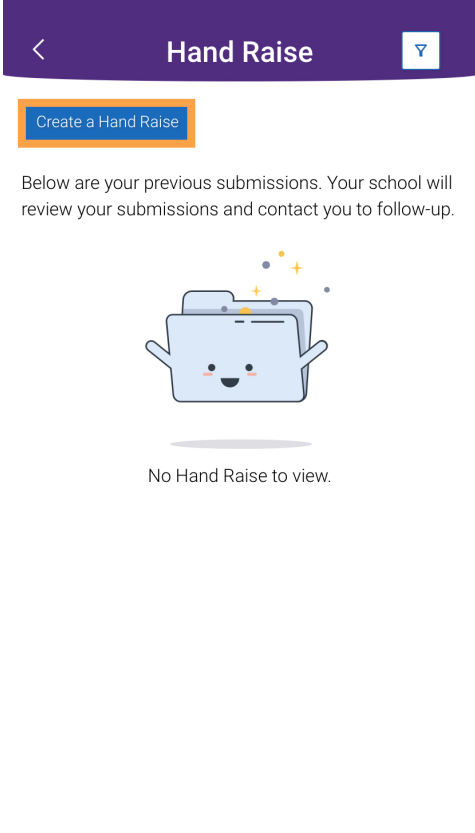

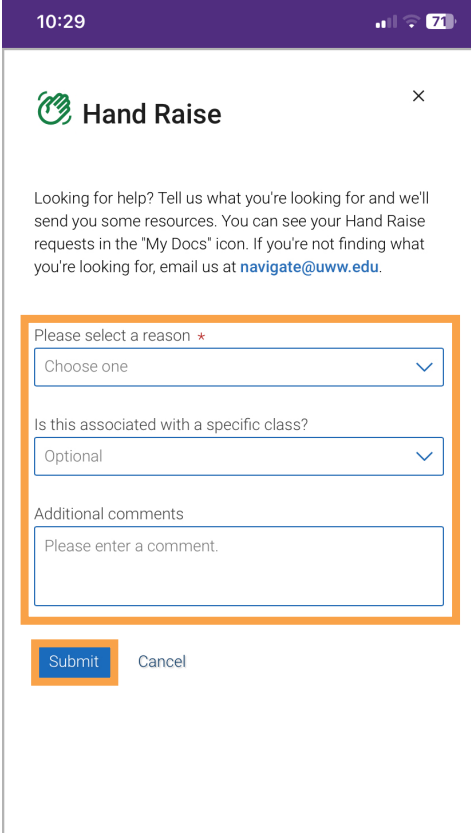

# HAND RAISE FEATURE

## What is the Hand Raise feature?

Navigate's newest feature, Hand Raise, allows you to request an email with additional information about campus resources on a variety of topics to **help you succeed** in college.

## How to Use the Hand Raise Feature

**Note:** the following workflow shows the process via the mobile app.

# HAND RAISE FEATURE

## Frequently Asked Questions

### Who receives notifications when I raise my hand?

If you choose *I'd like staff to contact me about something not listed*, the Navigate app administrator on campus will reach out to see if they can help connect you with other UW-W resources. The other Hand Raise options will automatically send you an email with suggested resources, so no specific staff person is notified.

# PEOPLE FEATURE

## What is the People feature?

Navigate's People feature allows you to find who your connections are on campus during your time at UW-Whitewater. You will find instructors, advisors, and other staff, as well as how to connect with them.

## How to Use the People Feature

**Note:** the following workflow shows the process via the mobile app.

The diagram illustrates the process of finding a person in the Navigate app through three steps:

- STEP ONE:** The home screen shows a grid of icons. The 'People' icon (two people) is highlighted with an orange box.
- STEP TWO:** The 'Resources' screen is shown with a search bar at the top. The 'Advisor' tab is highlighted with an orange box.
- STEP THREE:** The 'Advisor' screen is shown with a list of advisors. The entry for 'Warhawk, Susie' is highlighted with an orange box.

Open your Navigate app and select the **People** icon on the home page.

Select the type of staff you want to see. For this example, we will click the advisor tab.

Select an individual to see contact information.

## Frequently Asked Questions

### Can I message potential study partners directly through the Study Buddies feature in the app?

No, the messaging does not take place directly in the Navigate app. From the Study Buddies feature you can select classmates to email, and then an email app or desktop site (Outlook for UW-W) will open to send the email.
