

UW SYSTEM
Inter-Institutional Employment
Overload Request Form for Unclassified Employees

An Inter-Institutional overload occurs when an individual holding an appointment at one UW institution (Institution A) exceeds 100% employment by providing services to another UW institution (Institution B). Prior approval by both institutions is required for services that exceed \$1,000 or services that are recurring. Institution B prepares the Inter-Institutional Employment Overload Request Form and forwards to Institution A to review. If both institutions approve, Institution B establishes a separate appointment with an appropriate position title and pays the employee on the unclassified payroll.

For non-recurring services that are less than \$1,000, Institution B establishes a separate appointment with an appropriate title and payrolls the employee directly on the payroll. No overload approval is required, but the institution should contact the home institution so they are aware of the work being performed.

PLEASE NOTE: If Institution B intends to transfer funds to Institution A as a part-of-load payment for the employee's services, an Inter-Institutional Agreement (IIA) should be processed using an Inter-Institutional Agreement (IIA) Form, **not an Inter-Institutional Employment Overload Request Form.**
