# FACULTY/STAFF OFFICES AND COLLABORATIVE SPACES

- Each floor of the building will continue to house faculty and staff offices
  - Second floor - Counselor Ed and Communication Sciences and Disorders
  - Third floor – Special Education
  - Fourth floor – Early Childhood (from two departments)
  - Fifth floor – Curriculum and Instruction
  - Sixth floor – Educational Foundations

# COEPS Literacy lab (Available for naming rights)

- Located on the fourth floor on the faculty wing
- Collaborative space for students, faculty, and staff
- Housing literacy materials, beginning with reading
- Set up for small groups as well as remote reading with students in PK-12 settings

# LEARNING IS FOR EVERYONE PROGRAM

- [UWW LIFE news story from WISN Oct 24](#)
- Third floor of renovated building, between elevators and Deans suite

# DEANS SUITE

- Housed on northside of the third floor, just past the elevators and between classroom spaces.
- Will include offices for the dean, associate dean, assistant dean and two assistants.
- Will also include a work area and small conference room
- Will adjoin spaces for the LIFE program coordinator and a testing center
