2020 IN REVIEW – HIGHLIGHTS:

What a year it has been! Amidst the challenges brought on by COVID-19, UWWPD had some exciting developments unrelated to the pandemic.

-K9 and Residence Hall Officer K. Servi was promoted to Lieutenant

-Officer Huber was promoted to Residence Hall Officer

-We welcomed Officer DeBoer and Officer Ruggerio to our team

-K9 Officer Truus celebrated her fourth birthday

WARHAWKS RISE

Looking back at 2020, it is easy to see the struggles that our UW-Whitewater Campus Community met with while facing the COVID-19 Pandemic. Employees, students and neighbors of UW-Whitewater felt the strain of this pandemic, whether directly related to the university or in their own personal lives.

But despite the strain and hard times, the UW-Whitewater Campus Community came together and flourished. It took a lot of work for the campus to safely re-open for the fall semester. It required participation from many different campus departments to plan for, and it required cooperation and participation from all members of the campus community to bring to reality.

Thank you all for the parts you played in leading us to a successful completion of this past semester.

As a department, we are thankful for the health and safety of all of our UWWPD officers, management, admin staff and CSO's. UWWPD personnel, especially the officers, have adapted to many changes this year for the safety of themselves and others. Some of these changes include:

1. Working out of substations to limit contact and reduce the amount of people working in shared spaces.
2. Wearing varying degrees of personal protective equipment depending on the situation faced.
3. Adapting to policy changes brought on by COVID-19 precautions.
4. Scheduling changes.

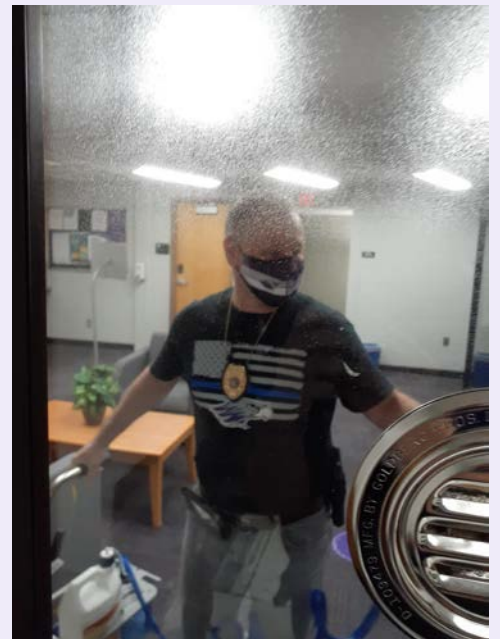

Although there is little doubt that the changes that will be brought about to UW-Whitewater due to COVID-19 are far from over, this year has shaped us all into a stronger and more resilient campus community.

Best of luck to you all for a safe and healthy 2021.

Regards,

UW-Whitewater Police Department

FEBRUARY 2021

IN THIS ISSUE:

- JANUARY CALLS FOR SERVICE
- CPR UPDATES
- WELCOME UWWPD'S NEWEST OFFICER
- UWWPD IN ACTION

JANUARY CALLS FOR SERVICE.

UWWPD KEEPS YOU SAFE!

FUN FACTS: In the first two weeks of February, UWWPD had over **60** calls to jumpstart vehicles on campus.

Tips to start your car in cold weather:

1. Turn off everything (radio, heater, defroster, headlights and windshield wipers) to let your battery focus on starting your vehicle.
2. Turn the key and hold it for about 10 seconds. If it doesn't start, let it rest a few minutes and try again.
3. If it doesn't start after a few tries, jumping the battery may help, but depending on the age of the battery a replacement might be necessary.

Reminder: UWWPD offers this service for free, but emergency/urgent calls take priority. **Additionally, jumpstart services are only offered on campus.**

CPR PROGRAM UPDATES:

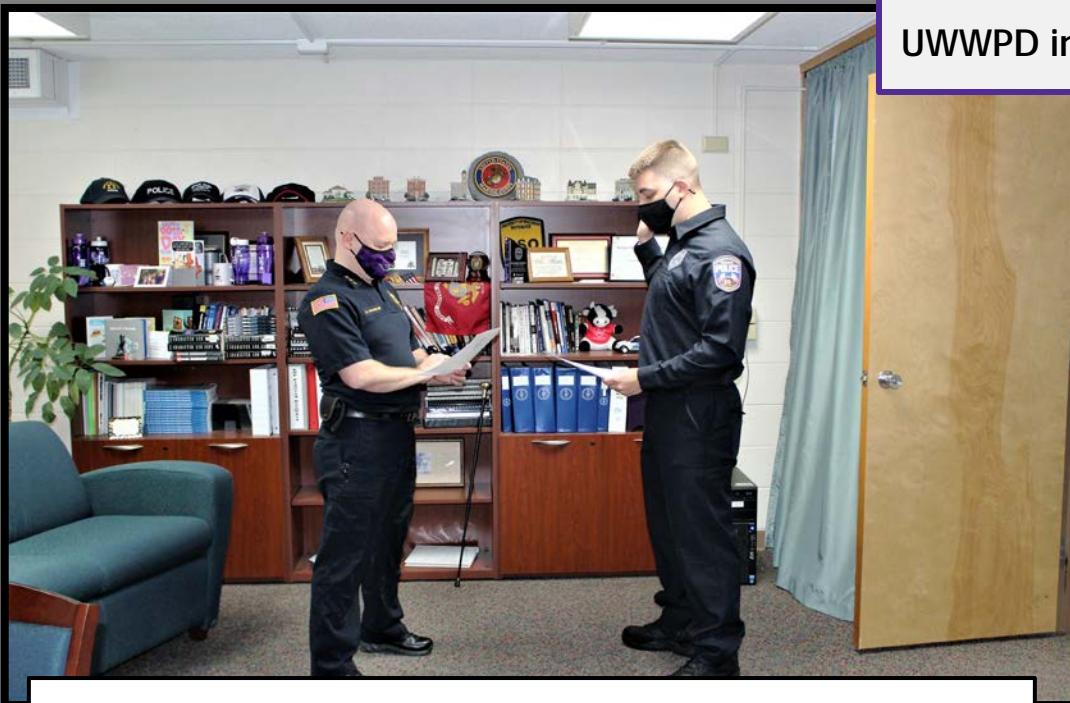

Despite the COVID-19 Pandemic, UWWPD continues to safely certify students and employees of UW-Whitewater in CPR and AED usage. This service is free of charge.

So far this school year, UWWPD has certified over 130 students and employees of UW-Whitewater.

Contact cpr@uww.edu for information on how to set up a class for your organization or group.

Limited CPR courses are available for signup by visiting: <https://my.uww.edu/signup/>

K9 Truus enjoys keeping an eye on campus through the windows of the University Police Department front desk.

UWWPD in Action

Please welcome UWWPD's newest member, Officer Ruggiero.

Pictured above are Chief Kiederlen and Officer Ruggiero during his swearing in ceremony.

FUN FACTS: Services available from the University Police Department

Programming: UWWPD conducts numerous programs throughout the academic year concerning various topics such as: **theft prevention, identity theft, internet scams, drugs and narcotics, "date rape" drugs, traffic safety, basic crime prevention, spring break and travel safety, self defense, sexual assault awareness, alcohol awareness, active shooter, and more!**

Contact the University Police Department at 262-472-4660 or email police@uww.edu for more information!

CPR, First Aid and Bloodborne Pathogens Training: UWWPD provides free CPR/AED, bloodborne pathogens and first aid** training.

**In order to receive the free first aid training, it must be taken along with CPR/AED.

email cpr@uww.edu for more information, or sign up at the link below <https://my.uww.edu/signup/>

FUN FACTS CONTINUED: Services available from the University Police Department

Fingerprinting and Notary Services: Call 262-472-4660 to make an appointment for fingerprinting or notary services. Appointments are generally available between 8AM and 4PM Monday through Friday.

Fingerprinting and Notary Tips: Bring a copy of your state issued ID (driver license/ID card, etc), as this will be required to complete these services. Do not sign the documents you need notarized until in the presence of the notary.

Coming in April... Statewide Tornado Drills

2021 WISCONSIN STATEWIDE TORNADO DRILL

THURSDAY, APRIL 15TH, 2021

1 PM: TEST TORNADO WATCH

1:45 PM: TEST TORNADO WARNING

2 PM: TEST WATCH/WARNING CANCELLED

6:45 PM: TEST TORNADO WARNING

MANY WISCONSIN RADIO AND TV STATIONS WILL PARTICIPATE IN THE DRILL. NOAA ALL HAZARDS WEATHER RADIO WILL ALSO ISSUE ALERT MESSAGING.

WIRELESS EMERGENCY ALERTS AND OTHER WEATHER APPS WILL NOT TONE/PUSH NOTIFY, BUT LOCAL MUNICIPALITIES WILL LIKELY TEST OUTDOOR WARNING SIRENS.

PLEASE RESERVE THIS TIME TO PRACTICE YOUR OWN TORNADO AND SEVERE WEATHER SAFETY PLANS.

FUN FACTS:

Top Safety Tips Everyone Should Know

1. **Don't allow technology to make you unaware of your surroundings** – It is easy to lose awareness when your headphones are in and you are scrolling through your phone. The key to getting out of a potentially dangerous situation is to recognize it as such.
2. **Know your way around campus and other areas you frequent** – In addition to being aware of your surroundings, you should **know** your surroundings as well. Take time to be familiar with landmarks so that you can navigate around or out of an area, should you need to.
3. **Never walk alone at night** – If you do not have another person that can accompany you, you can call UWWPD at 262-472-4660 to request an escort on campus.
4. **Make sure you have subscribed to UWW's mass notification system (Informacast)** To sign up, visit: <https://www.uww.edu/icit/informacast-info>.

(Continued on the Next Page)

FUN FACTS CONTINUED: Safety Tips Everyone Should Know

5. Use Locks – Keep the door to your room locked, especially when you are alone or asleep! Additionally, lock up your bicycles and vehicles.

6. Locate the emergency system areas on campus – This includes our “Blue Light” emergency phones. Visit the below link for a map of Emergency Phone locations.

<https://www.uww.edu/Documents/adminaffairs/police/Emergency%20Telephone%20locations-1.pdf>

7. Always have emergency contacts on you or programmed into your device – If you have a smartphone, program emergency numbers into it. It is one of the first places hospitals check if you are admitted alone because they can bypass your passcode in order to see emergency contacts.

8. Know what to do in emergency situations and where to find information. Visit

<http://emergency.uww.edu/Topic> to view the UWW Emergency Information Index. You can also look for the Purple Emergency Guidebooks located in all classrooms on campus as well as various locations and offices. To request a Purple Emergency Guidebook, please email police@uww.edu.

Have a safe,
happy, healthy
and fun spring
break, Warhawks!

Fun Facts: Tips for planning an event during COVID-19

If you are looking to plan a UWW event during the COVID-19 pandemic, you might be wondering where to start. Check out the below information and blue links for some tips!

The first resource you will need is the [Event Policy and Exception Protocol](#) document. The Event Policy and Exception Protocol defines events, meetings and gatherings, and also outlines when an exception request needs to be submitted. Most commonly, this is when someone would like to have an event with over 25 people, or if an exception is being requested to any procedures outlined in the [Warhawks Return Practices](#).

If your event will require an exception, you will need to fill out an [Exception Request Form](#). A detailed outline and safety plan will be submitted along with the Exception Request Form, describing how you plan to hold your event safely. **See the request form for more details on what to include in your safety plan and outline!**

You are not required to submit an exception request to have food at your event. Just make sure to follow the [Guidelines for Food at Events, Meetings or Gatherings during COVID-19](#).

Any questions about this process can be directed to the COVID Hotline at 262-472-1362 or covid19info@uww.edu.

Join us on April 28, 2021, as millions of people across the world will wear jeans with a purpose, support survivors, and educate themselves and others about all forms of sexual violence.

4.28.21
denimdayinfo.org

DENIM DAY
EST. 1999

UWWPD in Action: UWWPD Wears Denim to Support Survivors and Raise Awareness of Sexual Violence

Italy, 1992.

An 18 year old girl is raped. She reports the crime and the rapist is arrested and sent to jail.

Years later, his conviction is overturned on the grounds that because the victim was wearing tight jeans, she had to help remove them, and by removing her jeans she implied consent.

The women of the Italian Parliament launched a protest wearing jeans on the steps of the Supreme Court. International media picked it up, and the first US **Denim Day** was held in Los Angeles in April of 1999.

April was Sexual Assault Awareness Month.

Fun Facts: Emergency Blue Light Phones on Campus

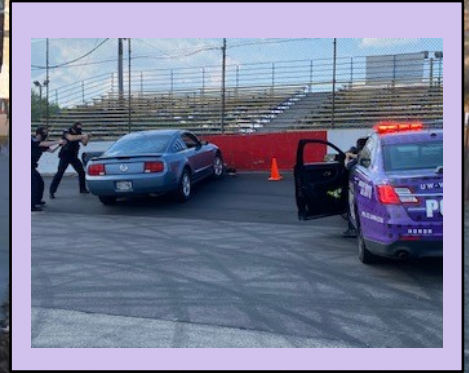

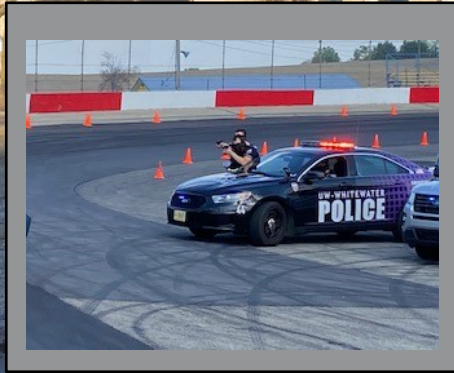

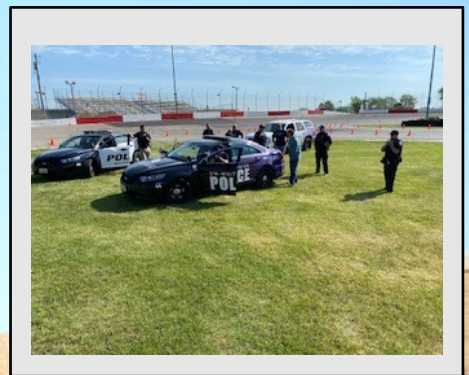

Blue Light Emergency Phones are located at strategic locations throughout campus, and may be activated in an emergency situation by pushing the orange button.

This will connect you to the UW-Whitewater Police Department dispatch.

You can view Blue Light Locations using the above map, and a downloadable map is available here:

<https://www.uww.edu/Documents/adminaffairs/police/Emergency%20Telephone%20Locations-1.pdf>

UWWPD in Action: Emergency Vehicle Operations and Control (EVOC) Training

UWWPD and the City of Whitewater Police Department held joint EVOC instruction in May, utilizing the Jefferson County Speedway for their course.

EVOC training instructs and teaches first responders the necessary skills to operate an emergency vehicle safely.

Some areas trained include review of:

- The departments' individual pursuit policies
- Basic EVOC skills on the driving course
- Steps for conducting a high-risk traffic stop at the end of a pursuit
- Steps for conducting pursuits that end in a parking lot between vehicles
- Pursuits with two subjects in the vehicle
- Pursuits where Stop Sticks are deployed.

UWWPD in Action:

Defense and Arrest Tactics (DAAT) Training

UWWPD and the City of Whitewater Police Department held joint DAAT instruction in June.

Voluntary compliance is always preferable to having to use a physical intervention, however DAAT training instructs and teaches police what to do in situations where efforts of an officer to gain voluntary compliance do not work. Wisconsin's DAAT system is defined as "a system of verbalization skills coupled with physical alternatives." This definition reflects the goal of gaining voluntary compliance.

Some areas trained include review of:

- How to achieve and maintain control of resistive subjects
- How to detain persons reasonably suspected of criminal behavior
- How to make lawful arrests
- How to defend themselves or others
- How to prevent escape

Lieutenant Jason Burt participating in DAAT Training.

Fun Facts: UWWPD's Campus Safety Officer (CSO) Program is hiring!

Looking for **student employment**? UWWPD's Campus Safety Officer (CSO) program is hiring!

Some duties fulfilled by CSO's are pedestrian crossing, safety patrol, weekend patrol, event patrol, subject watch, and special events or assignments.

Shifts include day shift, night shift, weekends and inclement weather. CSO's will be scheduled to work based on schedule flexibility and availability.

Qualifications: Must be a UW-Whitewater student that is enrolled at least half-time.

For complete details, including the link to apply, visit:

<https://www.uww.edu/adminaffairs/police/students/cso>

Hint: The link to the application is at the very bottom of the page, under the videos.

The Law Enforcement Training Team South Eastern Wisconsin (LETTSEWK9 Foundation) has opportunities available to have fun this summer while supporting area police K9 teams, including UWWPD's K9 Truus.

Upcoming LETTSEWK9 Events:

50/50 Payback Bingo Fundraiser – Real MacCoy's, Whitewater WI August 10th from 6pm to 8:30pm.

Fun Facts: International Police Mountain Bike Association (IPMBA)

Detective Servi and Officer Nic Thompson of UWWPD are trained instructors for the International Police Mountain Bike Association (IPMBA). IPMBA is a non-profit educational organization that provides resources, networking opportunities, and training for public safety cyclists. Example courses include police, EMS and security personnel.

Each summer, UWWPD and the City of Whitewater Police Department host police bike training in Whitewater. Typically they hold multiple sessions that last about a week. Some areas trained are patrol procedures, tactics, night operations, scenarios, basic bike maintenance and on-the-road repairs.

Bike usage is important for public safety because responders can move more easily on bikes than in cars in congested areas. Bicycle use also promotes good health and is environmentally friendly.

On the UW-Whitewater campus, bikes are often used by UWWPD for patrol, as they can be operated on streets, sidewalks, trails, and other areas that are difficult to access with motor vehicles.

UWWPD personnel take part in Fairhaven Senior Service's Cycling Without Age program. Twice a month members of UWWPD serve as "pilots", utilizing trishaw bikes owned by Fairhaven to give residents a ride around town.

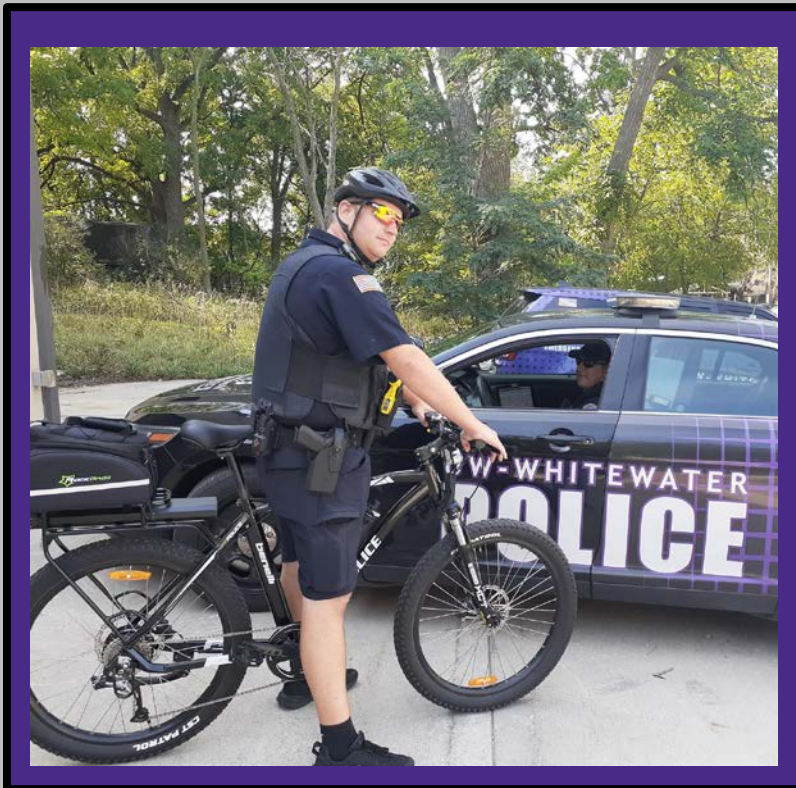

Trishaws are pedal-assisted cargo bikes on three wheels that can fit one to two passengers. They have seatbelts and all pilots are trained in safety.

Cycling Without Age was developed in 2012 in Copenhagen, Denmark. Since then, it is represented in 51 countries with approximately 1.9 million people served.

UWWPD in Action

In 2021, UWWPD was able to purchase two e-bikes for our department using money generated from the International Police Mountain Bike Association (IPMBA) courses taught by UWWPD IPMBA instructors.

These electric assisted bicycles were a great addition to the UWWPD bike patrol program. Bike patrol allows our officers to serve the campus community in a more personal, proactive way.

Halloween Safety Tips

1. **Follow the laws.** Halloween is a time for fun, but laws still apply. Do not drink alcohol if you are not over the legal drinking age. Do not drink and drive, or accept a ride from someone who has been drinking.
2. **Watch what you are drinking.** This goes for alcoholic and non-alcoholic beverages. Try to always open or mix your own drink, and do not leave your drink unattended.
3. **Choose your costume wisely.** Choose a costume that allows free movement. Example: High heels can impact safe walking and may not be practical if you will be walking for long distances.
4. **Go with a group and stay with your group.** Make sure your group has people you trust. Agree to arrive together and leave together.
5. **Keep track of your phone and have your battery fully charged.** Turn on your phone's volume and vibration in case someone tries to reach you. Your phone will be a much needed resource if you end up needing to call someone for a ride.

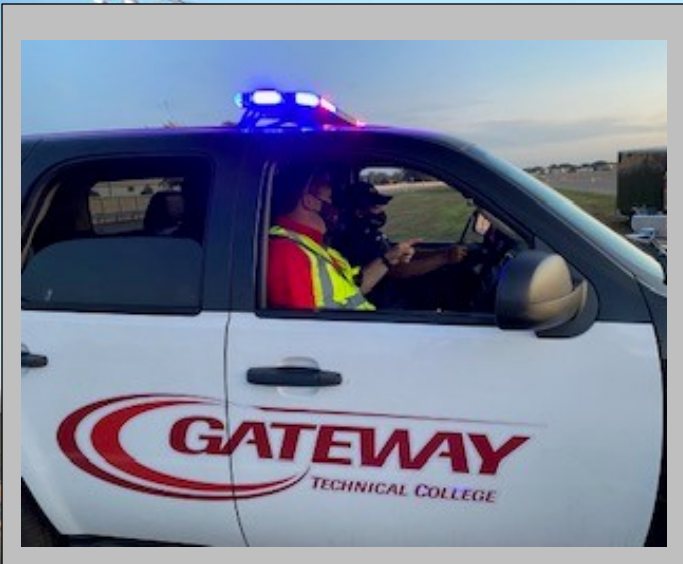

It is important to trust your instincts. If something does not feel right or makes you feel uncomfortable, trust that feeling and try to remove yourself and your group from the situation. If you find yourself in an emergency situation where you need help, call 911.

Fun Facts: Instructor Kuehl

UWWPD Officer Josh Kuehl is also an adjunct instructor at Gateway Technical College. Officer Kuehl instructs firearms training and emergency driving skills. Emergency driving skills are taught to police officers and police officer recruits using Gateway's Emergency Vehicle Operations Course.

The Emergency Vehicle Operations Course opened in November of 2020 and is the only facility of its kind in the tri-county area. It is located in Kenosha adjacent to Gateway's Horizon Center for Transportation Technology.

Officer Kuehl is pictured to the left teaching emergency driving skills.

Fun Facts: How to Prepare for a Midwest Winter on Campus.

1. Get a warm, quality winter coat! You will want one that is waterproof (if possible) and insulated. High quality jackets may be expensive, but they are worth it. You don't have to buy new, you can always stop by a thrift shop, or check online sale sites. Whitewater also has the Community Space, where everything is free. Check it out here: <https://www.facebook.com/WhitewaterCommunitySpace>.
2. Get gear to go along with the coat! Winter boots, gloves, hats and scarves will be invaluable during the cold weather months.
3. Check the weather the day before, and plan what you will wear accordingly. If you do this in advance it ensures you will have enough warm clothes for the day.
4. Plan on leaving earlier. Whether walking or driving, snow, ice and wind can slow you down on the way to class. Give yourself extra time to get there safely.
5. Only go when it's safe. If the weather conditions are potentially dangerous, consider talking to your professors about not coming to class. Communicate with them and use your best judgement. Safety first!

UWWPD Campus Service Officers (CSOs) have been performing crossing guard duties at some of the local schools in Whitewater as well as on campus.

Programs Available through the University Police Department:

- Sexual Assault Awareness
- Alcohol Awareness
- Drug Awareness
- Traffic Safety
- Basic Crime Prevention
- Spring Break Travel and Safety
- Working with the Police Department
- ID Theft/Computer Safety
- New Student Seminar
- Child Safety
- UW-Whitewater Police – Who we Are

Contact police@uww.edu for more information!

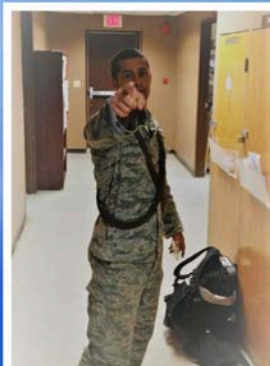

Support **K9 Truus** and other area police K9s by attending any of these upcoming LETTSEWK9 events.

Bingo Night at the Real McCoys – 2nd Tuesday of every month, 6pm–8:30 pm

K9 and Cops Trivia Night – Mr. Brews Taphouse in Fort Atkinson, Nov. 29 6pm-8pm

More information available here: <https://www.lettsewk9foundation.com/upcoming-events>

UWWPD WOULD LIKE TO SAY THANK YOU AND WISH A HAPPY VETERANS DAY TO ALL VETERANS.

TO THE LEFT ARE THE FOUR VETERANS WHO WORK FOR UWWPD: CHIEF KIEDERLEN, DETECTIVE SERVI, OFFICER J KUEHL AND OFFICER RODRIGUEZ.

Fun Facts: Meet Officer Aldrich!

Please join us in welcoming UWWPD's newest officer, Officer Aldrich.

Officer Aldrich was a Campus Service Officer (CSO) with UWWPD for three years, graduating from UWW this past summer. He was hired as a Police Officer with UWWPD in September of 2021. After graduating from the police academy on December 10th, Officer Aldrich is back on campus.

Congratulations Officer Aldrich and **welcome back!**

Many CSOs go on to careers in law enforcement after graduation. For more information on the CSO program, visit:

<https://www.uww.edu/adminaffairs/police/students/cso>

K9 Truus has made the **nice list** this year!

To support K9 Truus, see the link below for local LETTSEWK9 events. LETTSEWK9 Foundation supports local police department K9 units, including UWWPD's K9 Truus.

<https://www.lettsewk9foundation.com/upcoming-events>

Support can be offered by volunteering time, attending events, sponsoring or making a donation.

Drive safely this holiday season, Warhawks!

During the national "Drive Sober or Get Pulled Over" campaign this holiday season, law enforcement agencies across Wisconsin, including UWWPD, will boost patrols to watch out for impaired drivers. The mission of this campaign is to enhance public safety and discourage people from driving while intoxicated.

Just the facts:

- Someone is injured or killed in an alcohol-related crash about every three hours in Wisconsin.
- In 2020, there were 6,050 alcohol-related crashes in Wisconsin, killing 167 people. Additionally, alcohol was involved in over one-quarter of all traffic fatalities.
- In 2020, there were 2,250 crashes in Wisconsin involving drugged drivers, killing 80 people.

Things to remember:

- **You can be arrested for operating while intoxicated even if your blood alcohol content is below 0.08**, if it is determined your level of impairment prevents you from safely operating a motor vehicle.
- In Wisconsin, drivers under age 21 are prohibited from having any detectable amount of alcohol in their system.
- All drivers are prohibited from having any detectable amount of illegal drugs in their system.

Celebrate responsibly!

- Identify a sober designated driver before celebrating this holiday season.
- Use other options if a sober driver is not available; taxi, rideshare service, or call a sober friend for a ride.
