New Agreement

Revised Agreement

Agreement Description and Rationale:

This articulation agreement establishes a cooperative relationship between the University of Wisconsin-Whitewater (UW-W) and Blackhawk Technical College (BTC) effective for students starting the Bachelor of Science-Occupational Safety in or after the spring 2024 term, which will assist both schools to better serve the educational needs of transfer students.

This Agreement and any amendments and supplements, shall be interpreted pursuant to the guidelines set forth in the University of Wisconsin System Administrative Policy 140, Guidelines for Articulation Agreements between UW System Institutions and WTCS Districts as well as Administrative Policy 135 Undergraduate Transfer Policy. Both institutions agree to maintain accreditation by the Higher Learning Commission and any other accreditation currently in existence pertaining to degree programs articulated via the transfer agreement.

1. Articulation Agreement Terms

This program-to-program articulation agreement between UW-W and BTC allows students to be awarded up to **60** credits toward the Occupational Safety major.

1.1 Students transferring under the guidelines of this articulation agreement must:

- a. have earned an Associate of Science degree from BTC
- b. have earned a grade point average of 2.25 or better (on a 4.0 scale), including coursework from other institutions (if appropriate), and according to UW-W [repeat policy](#).
- c. have applied to and are successfully admitted into UW-W (all UW-W application deadlines apply) beginning spring 2024 and any subsequent terms

1.2 Students must declare Occupational Safety major at time of admission/upon transfer to UW-W.

3. University/General Education Requirements

- 3.1 The UW-W baccalaureate candidate must meet UW-W's [general education and graduation requirements](#).
- 3.2 To obtain an internship and graduate, the Occupational Safety student must have a minimum 2.5 grade point average both in the UW-Whitewater major and overall.
- 3.3 Elective courses taken or substituted at the sending institution and sending program not listed in this agreement will be reviewed on a case-by-case basis and determined how they may apply to the degree at the receiving institution.
 - 3.3.1 Entering students may apply general education credits toward satisfying UW-W general education requirements as specified in [Transferology](#).
- 3.4 Regardless of major, a minimum of 25% of the major course units and 25% of the minor course units must be completed at UW-W.
- 3.5 A minimum of 30 units of UW-W coursework is required to qualify for an undergraduate degree. At least 15 of these 30 units must be taken at UW-W immediately prior to graduation
- 3.6 The maximum number of credits that can be transferred from all two-year transfer institutions to UW-W is 72.

4. Additional Conditions

- 4.1 Program-to-program transfer courses/credits are accepted only for the major and minor specified in this agreement. A change of major or minor invalidates these courses/credits for transfer unless they are approved within some other program-to-program articulation agreement for a different major/minor at UW-W.
- 4.2 Course equivalencies specified in this articulation agreement are subject to change in the event that the course curricula of relevant programs at Blackhawk Technical College or at UW-Whitewater undergo revision.
- 4.3 For students admitted from Blackhawk Technical College with a completed degree, 1.1.a above, the degree must be posted on an official transcript to receive credits from the agreement.
- 4.4 This Articulation Agreement is effective 01/2024 and shall remain in effect for three years, unless terminated or amended by either party with 90 days prior written notice.
- 4.5 UW-W and BTC agree to assist each other in appropriately promoting this agreement in their respective marketing materials, events, websites, and reports.
