NONTRAD WEEK

Join us from November 4th to 8th for Nontrad Week! We invite you to stop by the Veterans Lounge for a snack and the chance to connect with fellow students. Additionally, don't miss the exhibit at the Center of the Arts showcasing the remarkable work of your peers, highlighting their experiences as Non-Traditional Students. This exhibition will be on display for the remainder of the fall semester, so be sure to visit and support your fellow students' creativity! We look forward to seeing you there!

WARHAWK EMERGENCY FUND

Paying for college can be difficult. An unexpected expense, loss of supporting family member, inability to secure employment: all of these can influence a decision to stay in school or leave prematurely. UW-Whitewater's Warhawk Emergency Fund provides assistance to students at risk of dropping out of college due to unexpected financial emergencies.

The program aim is to support a student to bridge the gap, help them stay in college and meet their educational goals, and ultimately allow them to secure a better financial future.

VETERANS WEEK

The University of Wisconsin Whitewater Veterans Affairs office invites you to a Veterans Day Ceremony on November 11, 2024, at 11:00 AM in the Hamilton Room located in the University Center. Join Chancellor Corey King and guest speaker Lt. Colonel Jamil Khan, USMC (Retired), followed by a reception with light refreshments. From November 11th to 15th, there will be a "Tie the Ribbon on the Honor Tree" at the Andersen Library during regular hours to show your support for our veteran community.
