NEW LOCATION

WELCOME BACK WARHAWKS! We hope you had a safe and enjoyable summer. We extend a warm welcome to our new Warhawks—we've had the pleasure of meeting some of you during orientation and look forward to a wonderful year ahead. We would like to inform you that the Adult Student Outreach office has relocated to the Veterans Lounge in Andersen Library. Kris and I invite you to visit our new space and feel free to reach out with any questions you may have.

ONE STOP SHOP

The One Stop Shop is now open! Here to assist students with financial aid consultations, scholarships, advising appointments, course registration, student life, and more. Stop by Room 129 in the University Center, Monday to Thursday, from 10:00 AM to 2:00 PM.

NONTRAD WEEK CELEBRATION

We are pleased to announce that the week of November 4th will be designated as Nontrad Week! During this time, an exhibition will be held in the Center of the Arts, showcasing the creative works of our students. This exhibition will remain open throughout the fall semester, providing a platform to highlight your artistic contributions.

We encourage students to submit poetry, paintings, drawings, short stories, lyrics, or any other form of artistic expression that reflects your experiences as a nontraditional student and the significance of your journey.

For questions or to submit your work, please contact us at asonews@uww.edu. The deadline for submissions is October 31st.
