

Young Auditorium

Young Auditorium is an indispensable resource serving as a catalyst for inspiration and community in the arts, education, and culture.

Potential CBL Partnerships:

- Launch and conduct focus groups and needs assessments to increase the impact of our programming in the community
- Internships
- Grant Writing, Fundraising, and nonprofit development
- Education and Arts Integration
- Marketing & Communication
- Business and Management

Main Objectives for CBL Partnership:

- To develop the next generation of nonprofit and arts leaders in our area
- To advance the arts in our community by improving programming impact
- To promote advocacy work in the areas of arts and education
- Increase awareness of Young Auditorium to UWW and the greater community through collaborative agency/department relationships
