

The Department has a very active internship program that has been in operation for over three decades. Interested students can be placed in internships in a variety of occupational settings. The internships, which are taken by a majority of majors, enable students to gain valuable employment experience and learn to apply classroom knowledge to solving real-world social problems.

Internship Opportunities

Business Management and Marketing - The Department has some limited internship opportunities in the business management/marketing field. In the past we have placed students with the City of Whitewater, Generac, Verlo Mattress, etc.

Investigation (non-law enforcement) - The Department has internship placement opportunities for students interested in non-law enforcement investigation careers. In the past we have placed students with the Wisconsin Department of Safety and Professional Services, Wisconsin Office of the Public Defender, and other private security companies.

Juveniles - The Department has internship placement opportunities for students interested in working with juveniles both involved and not involved in the corrections system. In the past we have placed students with the Milwaukee County Juvenile Services, Rock County Juvenile Diversion Program, Rock County Juvenile Probation, Walworth County Restorative Justice Program, Mentoring Positives, Opportunities Incorporated, Boys and Girls Club and YMCA.

Adult Probation/Parole - The Department has internship placement opportunities for students in adult probation/parole careers. In the past we have placed students with the Wisconsin Department of Corrections (Probation/Parole Services) across Wisconsin and State of Illinois.

Human Resource Management - The Department has some limited internship opportunities in the human resources field. In the past we have placed students with the City of Whitewater, Beloit, Community Action, as well as other private human resource firms.

Law Enforcement (local, state, and federal) - Investigation (non-law enforcement) - The Department has internship placement opportunities for students interested in law enforcement careers. In the past we have placed students with numerous Wisconsin cities, as well as County Sheriff's Offices, and some limited Federal agencies (i.e., U.S. Marshal's Service).

Paralegal - The Department has some limited internship opportunities in the paralegal field. In the past we have placed students with the Rock County Circuit Court, Wisconsin Department of Safety & Professional Services, Wisconsin Office of the Public Defender and private law firms.

Public Health - The Department has some limited internship opportunities in public health. In the past we have placed students with Huntington Place, Stoughton Hospital, Community Action.
