

College of Letters & Sciences 2023-2028 Strategic Plan Goals
University of Wisconsin at Whitewater
Approved April 14, 2023

1. Increase the awareness and recognition of the College of Letters & Sciences' value to all stakeholders.
2. Promote and advocate for equity, diversity, and inclusion.
3. Cultivate a healthy College workplace.
4. Incorporate more high impact practices into student experiences to develop the spirit of inquiry, discovery, global awareness, personal responsibility, service, and community engagement.
5. Strengthen student awareness of College resources for their success.
6. Increase College support and resources for faculty and staff.
7. Expand collaboration and interactions within and beyond the College.
