UW-WHITewater AT ROCK COUNTY

UW-Whitewater at Rock County, which opened its doors in 1967, is part of a leading comprehensive university that serves more than 12,000 students. The Rock County campus offers a general studies associate degree, a Bachelor of Applied Arts and Sciences, a Bachelor of Science in Medical Sciences with emphases in radiologic technology or diagnostic sonography, a collaborative nursing bachelor's degree and a collaborative engineering bachelor's degree.

The Whitewater campus offers bachelor's degrees with more than 60 majors, 22 master's degrees, and one doctoral degree. The Rock County campus houses the College of Integrated Studies; other colleges at UW-Whitewater are Arts and Communication, Business and Economics, Education and Professional Studies, Letters and Sciences, and the School of Graduate Studies. ❖

COMMENCEMENT SPEAKER

QUINT STUDER

Quint Studer earned his bachelor's degree in education in 1973 and a master's degree in special education in 1978 from the University of Wisconsin-Whitewater. After a career in hospital administration, he founded The Studer Group, an internationally respected healthcare consulting company, in 1998.

In 2009 he was honored with the Distinguished Alumni Award for Professional Achievement. In 2006 and again in 2016, Quint served as featured speaker at the spring commencement ceremonies on the Whitewater campus.

Over the course of his career, he has authored 16 books on leadership, healthcare excellence, and organizational performance, sharing actionable insights that have influenced leaders and teams across the country. His contributions to organizational performance and quality improvement have been recognized with both the prestigious Baldrige Award and a distinguished award from Georgetown University — reflecting his impact on leadership and organizational excellence at a national level.

Alongside his professional accomplishments, Quint and his wife Rishy have maintained strong ties to southern Wisconsin, investing in local businesses including the Bodacious Shops in Janesville and the soon-to-open Bodacious Shop in Beloit.

Their commitment to the community extends to philanthropy and education: they have donated over \$1,000,000 to UW-Whitewater and proudly host the university's baseball team each spring in Pensacola, Florida.

Through their work and generosity, the Studers exemplify a dedication to leadership, community, and lifelong learning. ❖

STUDENT SPEAKER

JASMINE BERTSCHY

Jasmine Bertschy, born and raised in Valders, Wisconsin, is a proud first-generation college student, scholarship recipient, and scholar in the TRIO Program on campus.

After graduating from Valders High School in 2021, she transferred to the Wisconsin School for the Blind and Visually Impaired in Janesville to attend their College and Career Readiness transition program. While still attending the School for the Blind, she enrolled in courses at the University of Wisconsin-Whitewater at Rock County as a part of the Early College Credit program. After finishing her time in the transition program at the School for the Blind, she remained in Janesville to continue her studies at the Rock County Campus.

Now graduating with her associate degree, Jasmine plans to transition to the Whitewater campus to complete her bachelor's degree in psychology at UW-Whitewater. She has been accepted as a scholar in the McNair Scholar Program, which seeks to prepare eligible undergraduate students for doctoral studies through research.

Jasmine's goal is to earn a master's degree in mental health counseling, to enjoy continued patience and endurance, and to excel in a career managing her own private counseling practice. ❖

OUTSTANDING ALUMNI AWARD

CONNOR FOX-HAINES

Connor Fox-Haines is a Janesville native, dedicated real estate professional, and passionate community leader. For nearly 10 years, he has worked as a realtor with Century 21, where he’s built a reputation for outstanding service and strong client relationships. His work has earned him multiple honors, including Realtor of the Year from the Rock Green Realtors Association (RGRA) and the Quality Service Award from Century 21. He has also taken on board leadership roles within RGRA, including serving as president.

His impact goes well beyond real estate. He is deeply involved in the Janesville community and serves as board president of Downtown Janesville, Inc., where he helps lead efforts to promote and enhance the downtown area. He also serves on the Dean’s Advisory Board for UW-Whitewater at Rock County.

Connor graduated from Parker High School in 2011 before earning his associate degree from UW-Rock County in 2015 and his B.A. in communication–public relations with a minor in history from the University of Wisconsin-Whitewater in 2017.

He still calls Janesville — where he lives with his husband, Jonathan, and their son, Deacon — home. You might also recognize him from A&E’s “Betting on Beloit,” where his passion for real estate and community revitalization is on display. ❖

Joseph Tobias

BACHELOR OF SCIENCE IN ENGINEERING

UNIVERSITY OF WISCONSIN-PLATTEVILLE

Elizabeth Bowen

ACADEMIC AND STUDENT REGALIA

Gowns and robes represent the principal levels of academic achievement. The associate and bachelor's gown have long, open sleeves. The UW-Whitewater chancellor wears a medallion that signifies the history and aspirations of the university. The medallion is cast and constructed in sterling silver and gold plate.

Stoles and cords worn by students may represent ethnic background, country of origin, academic achievement, or membership in a student organization:

- ❖ Green and gold cords signify membership in Sigma Kappa Delta, the English honor society for two-year colleges.
- ❖ Purple and white cords signify honor students based on cumulative GPA.
- ❖ Red, white, and blue cords indicate a veteran or military student.
- ❖ Blue and yellow cords indicate Phi Theta Kappa, the English Honor Society.
- ❖ Red and gold cords indicate the Spanish Honor Society.
- ❖ Red cords indicate the TRIO program.
- ❖ Many-colored stoles indicate membership in Latinos Unidos.

SPECIAL THANKS

The Rock County Campus Commencement Committee, Anna Schuette-Reid, Trevor Rees, Hawksquad and staff volunteers, University Marketing and Communications, JATV, and the Rock County custodial and campus maintenance staff.

WARHAWKS GIVE FUND

Warhawks Give: Writing the Next Chapter Together

Congratulations to our graduating Warhawks on the Rock County campus and to the families, friends, and mentors who have championed them every step of the way! As you cross the stage today, you aren't just receiving a degree; you are becoming a lifelong part of the Warhawk legacy.

Your journey is a vital part of Our Stories, Our Future, the most ambitious comprehensive campaign in UW-Whitewater's history. This campaign is dedicated to ensuring that every student has the opportunity to thrive, regardless of their financial circumstances.

Help us ensure that the next generation of students can experience the same pride you feel today. We invite you to make a commemorative gift of \$20.26 or more in honor of this graduation year. Your contribution directly supports student success and keeps the Warhawk story moving forward.

Visit uww.edu/foundation/gradgift to make your impact.

Once a Warhawk, always a Warhawk!
