Your application has been selected for review in a process called Verification. Since you indicated on the FAFSA that you did not file federal taxes for **2021**, the Financial Aid Office must verify this information. Please complete this worksheet and return it to the Financial Aid Office.

1. Did you file a federal income tax return for **2021**? Tax returns include the 2021 IRS Form 1040 (including schedules 1, 2 & 3), a tax return from Puerto Rico or a foreign tax return.

Check one: _____ YES _____ NO

2. If you answered NO to #1, list your employers and other sources of income received in 2021 and the amount of money from each employer or source of income. Sources of income include employment, Social Security, child support received, TANF benefits, etc. **You will need to provide copies of all W-2 forms to the Financial Aid Office.** Leave no lines blank; if you had no income, please write "N/A" in all columns.

3. If you answered YES to #1, you must provide your tax information to the Financial Aid Office. You can do this in one of two ways:
- A. Go to fafsa.gov and log in using your FSA ID and password. You can retrieve your tax data directly from the IRS. If the FAFSA indicates you are not eligible for this process, please go to step B.
 - B. Request a tax transcript from the Internal Revenue Service and submit this transcript to the Financial Aid Office. Go to <https://www.irs.gov/individuals/get-transcript>.
