

UW-Whitewater Outstanding Capstone Award

This award is given annually to a master's degree student who has distinguished him/herself through the completion of a capstone project. This capstone is judged to make a significant advancement to knowledge, technique, or creative expression in her/his professional field. Winners are competitively selected by a panel of graduate faculty evaluators with representation from each of the four academic colleges.

<i>Year</i>	<i>Winner</i>	<i>Graduate Program</i>	<i>Capstone Title</i>
