

UW-Whitewater Outstanding Dissertation Award

This award is given annually to a doctoral degree student who has distinguished him/herself through the completion of a dissertation. This dissertation is judged to make a significant advancement to knowledge, technique, or creative expression in her/his professional field. Winners are competitively selected by a panel of graduate faculty evaluators with representation from each of the four academic colleges.

<i>Year</i>	<i>Winner</i>	<i>Graduate Program</i>	<i>Thesis Title</i>
