

COLLEGE OF LETTERS & SCIENCES OFFERINGS

POLITICAL SCIENCE COURSES (820)

820-501 Political Science Research Methods -- 3 cr

An introduction to basic research methods in political science. Topics will include various data collection and analysis techniques on the U.S. Presidency, the U.S. Congress, the U.S. Supreme Court, political socialization, political parties, interest groups, civil violence, rebellion, and revolution. Students will obtain "hands-on" experience with computer software designed specifically for political science and the social sciences. This is not a statistics course, and no previous knowledge of statistical methods is assumed.

Prereq: A political science general studies course.

820-516 Police And Criminal Justice Administration -- 3 cr

This course examines the administrative process within the criminal justice setting. Both administrative theories and principles as well as applications to the criminal justice system will be covered.

Prereq: A political science general studies course.

820-517 The American Legislative Process -- 3 cr

The study of the organization and functioning of legislative bodies, with particular attention to Congress: Functions, membership, committee system, executive-legislative relations, pressure groups, lobbying, and movements for reform.

Prereq: A political science general studies course.

820-518 The American Presidency -- 3 cr

Analysis and discussion of the various roles of the President regarding his constitutional status and powers, nomination and election, administrative responsibilities, legislative and political leadership, and his role in the conduct of foreign relations.

Prereq: A political science general studies course.

820-520 Public Policy And Administration -- 3 cr

A course to introduce students to the concepts and problems of public policy and administration. Emphasis will be given to the role played by individuals and groups in large organizations; theories of organization will be set forth and operations of governmental administrative agencies in the political world will be examined.

Prereq: A political science general studies course.

820-530 Public Policy Analysis -- 3 cr

A systematic introduction to the study of public policy issues through a public policy/issue analysis and problem solving approach. It will also examine and explore other analytical models and approaches in the study of public problems and policy issues. Prereq: A political science general studies course.

820-540 Politics of Development -- 3 cr

This course focuses on the comparative analysis and contending interpretations of development in developing countries. Emphasis will be given to the role of the state intervention and the coalitional politics of dominant class factions in capital accumulation and allocation of surplus for development. The analysis also includes the influence of international economic system as exercised through direct foreign investment and commercial lending institutions. Special attention will also be paid to the impact of militarism on the Third World countries and the problems of environment and sustainable development.

Prereq: A political science introductory course.

820-544 State And Local Government -- 3 cr

A study of modern American state and local governments, their evolution from colonial beginnings, their problems, and their potential. Topics include constitutional revision, the role of governors, legislatures, and courts, forms of urban and rural government and state-local relations.

Prereq: A political science general studies course.

820-557 Public Opinion And Political Behavior -- 3 cr

An examination of public opinion in the United States as it concerns political and social behavior. Major topics are the acquisition of beliefs, leadership and opinion formation, voting behavior, and propaganda. Graduate requirements: In addition to meeting the regular requirements of the course, graduate students will be expected to complete a comprehensive research project using survey research methods.

Prereq: A political science general studies course.
