What We Do

Operation: Job Ready Veterans™ (OJRV) is a Midwest-based nonprofit organization dedicated to positively impacting the lives of Veterans, service members, their families, and their communities by providing transitional, career development, and employment services. We assist Veterans and family members of all eras and ability levels by empowering them to meet their individual career and education goals. OJRV stands out from other Veteran Service Organizations (VSOs) by providing services not only to veterans and service members but to their families as well.

If you have worn the uniform, then you and your family will receive our support. We honor your service and the sacrifices made by your family with our unwavering commitment.
