Please bring your individual ETF/WRS Annual Statement of Benefits to this session. You can access this by:

1. Logging into Workday
2. View your profile at the upper right-hand side of Workday, looks like a figure of a person
3. On the left-hand side of the screen choose Personal
4. Then Benefits and Pay
5. Under Suggested links choose My Benefits

This will bring you to the ETF Member Portal sign on page. If you need help because you forgot your password, or have not set up the account yet, follow the prompts below the Login button.

Once you have logged on scroll down to the My Annual Statement of Benefits section. It should be prefilled with the 2026 Annual Statement of Benefits, choose the button to Go to Annual Statement, then print. Again, if you have any issues with logging in, please use the links on the ETF login screen. The campus staff does not have the ability to assist with logging into or creating these accounts.
